

## **Franklin County Project 2014**

Project Dates: March 2-8, 2014

Location: Franklin County, Florida; with a primary base in the town of Apalachicola

Transportation: provided by car from Gainesville at 9:30am on March 2, returning March 8 at various times

Cost: \$435, includes transportation, home-stay lodgings, books, 2 t-shirts, and 2 group dinners (fee will be paid online)

Project Goal: To address health disparities among rural community residents through the arts and interdisciplinary projects.

2014 Projects:

1. Theatre for Sex Education in the Schools
2. Senior Center Garden
3. ABC School Garden and Art Curriculum Continuation

Required Meetings: Team members will be required to attend evening meetings every other week beginning the week of January 13.

Required Readings: Team members will be provided with two books and several articles that are essential to project participation. The readings will be discussed at the team meetings, and due dates for each will be provided.

All team members must be able to:

- Be comfortable and gracious in a home-stay situation
- Be a hard-working, cooperative, and positive team member
- Complete the required readings by the assigned due dates
- Attend the mandatory team meetings prior to the trip
- Complete the required travel forms and liability waiver
- Participate in the project from March 2-8 in Franklin County
